*** Mandatory Shabbat and Yom Tov at Midreshet Tehillah:**

On Campus Shabbaton \ On Campus Yom Tov: Mandatory Shabbat or Chag together on campus with staff and programming. Each Shabbaton is given its unique focus, theme, and flavor and on all Chagim we create an atmosphere appropriate to each chag, making sure all needs of the chag are taken care of - from lulav and etrog on Sukkot to cheesecake on Shavuot!

Out Shabbaton: Mandatory Shabbat together in different communities and locations in Israel to taste the variety of communities in Eretz Yisrael.

**** Optional Shabbat and Yom Tov at Midreshet Tehillah:**

Staff Shabbat: Optional Shabbat on campus with staff and programming. These are generally Shabbatot when it can be difficult to find places to go for meals or when we anticipate that many students will prefer to remain on campus with the Midreshet Tehillah family.

All other Shabbatot and Chagim: The dorm is open and supervised. Seudah Shlishit is provided on Shabbatot. Students take advantage of these Shabbatot and Chagim to make their own arrangements, going to family and friends or staff and we assist students in making these arrangements when needed.

***** Breaks at Midreshet Tehillah:**

The Midreshet Tehillah dorm is open and supervised throughout the school year including vacations. Meals are provided. During the longer breaks (Sukkot and Pesach) optional activities are offered, some subsidized and some at cost.

****** The Nesivos Poland Tour:**

Because of the international situation we will only be able to finalize the date of the Poland trip later in the year. The expected dates are Sunday, March 30 - Friday, April 4. Participants of the Poland trip must stay in Israel for the Shabbat of April 4-5
